About US Lacrosse

US LACROSSE MISSION STATEMENT

US Lacrosse is the national governing body of lacrosse. Through responsive and effective leadership, we provide programs and services to inspire participation while protecting the integrity of the sport.

OUR VISION

We envision a future which offers people everywhere the opportunity to discover, learn, participate in, enjoy, and ultimately embrace the shared passion of the lacrosse experience.

JOIN TODAY

As the national governing body for the sport, US Lacrosse relies primarily on membership revenues to support its programs and services. Memberships are offered by category (player, coach, official, fan) and age (youth, high school, adult). Help support the growth of the game by becoming a new member or renew your membership today at uslacrosse.org/join.

THE US LACROSSE FOUNDATION

The US Lacrosse initiatives to study lacrosse injuries and maximize player safety are funded in part by the US Lacrosse Foundation (USLF), the philanthropic arm of US Lacrosse. The USLF helps close the gap between membership revenue and the cost of inspiring participation in—and fostering the responsible growth of—the nation’s first sport. Your tax-deductible gift assists in providing the “margin of excellence” that makes possible comprehensive programs and services and competitive men’s and women’s national teams. Learn more and support your sport at uslacrosse.org/donate.
